

MATERIAL

Weldable black-oxide steel.

PINS

Ground and hardened steel.

FEATURES AND APPLICATIONS

All articulated joints are lubricated with special grease resistant to high temperatures.

MCR toggle clamps are particularly suitable for applications on moulds for plastic materials and in rotational moulding.

The position of the threaded screw can be adjusted according to specific applications.

Application example

Code	Description	B	b1	b2	b3	d1	d2	H	h1	h2	h3	L	l1	l2	m1	m2	s	s1	FH [N]*	⚖
