

IMPORTANT COMMUNICATION

NEW UPDATE COVID-19

Monza, 23rd March, 2020

Elesa informs that the plants in Monza will remain operational until March 25, 2020 to get ready for the suspension of production activities, to ship out goods in stock and secure installations, in accordance with the new provisions of the Prime Minister's Decree of March 22, 2020.

The production departments and the logistics terminal in Monza will be closed from 26th March to 3rd April 2020. Offices will be operating in Smart Working mode.

Local subsidiaries in Europe and USA, as well as the entire distribution network will continue their activities of sales and distribution by managing local stock to satisfy domestic purchase orders, in compliance with local government provisions of law.

Elesa recommends all employees, customers and suppliers to scrupulously comply with the legal regulations to reducing the chances of contagion.
