

IMPORTANT COMMUNICATION

NEW UPDATE COVID-19

Monza, April 29th, 2020

In this period of time, in compliance with preventive measures to protect the health of its employees and the community, production and logistics activities continued regularly at the Monza plant, having Elesa primary ATECO code 22.2 (*Manufacture of plastic products*) and being active to ensure the continuity of the essential supply chains, implementing special management for some product families, whose sale was temporarily subject to certain limitations according to the provisions of the Prime Minister's Decree (March 22th 2020) and the Ministry of Economic Development's Decree (March 25th 2020).

We are now glad to inform you that **from Monday 4th May 2020**, in accordance with the provisions of the Italian Prime Minister's Decree dated 26th April 2020, **production and logistic activities will go on without limitations on the sales of any product family**. Of course, Elesa we will continue to strictly follow all the necessary measures introduced by the Decree to protect the health of its employees, customers and suppliers.
