## Elesa level monitoring accessories and labelling provision simplify Hydraulic systems

The Elesa range of standard hydraulic components enable equipment manufacturers to readily complete their production cycle to the highest quality and with efficiency, at competitive price points.

Ex-stock [HCX column level indicators](#) and [HGFT screw-in window level indicators](#) provide simple solutions to monitoring of oil and other fluids including oil additives and chemicals.

In addition, for ease of maintenance and operation, Elesa can now provide [labels for their aluminium oil plugs](#) with graphic symbols such as "Fill" or "Drain".

Further information regarding Elesa products may be found at: [www.elesa.com](http://www.elesa.com) or follow them on twitter: [www.twitter.com/ElesaUK](https://www.twitter.com/ElesaUK).
